

CERTIFIED BLOCKCHAIN & DISTRIBUTED LEDGER TECHNOLOGY MANAGER

Module 1:

1,990 €*
*10% discount for TUM Alumni

Overview

This course will prepare you for a career as Blockchain Manager dealing with the technical, business, social and legal aspects of blockchain-based solutions in order to enable you to transfer the learnings immediately to your individual work environment. The digital structure of the program will provide you with maximum flexibility and the small group case study allows you to network and deepen your knowledge with other professionals according to your individual interest and professional background.

Target Group

Employees working at the intersection of business and technology who need to develop an in-depth understanding of Blockchain & DLT in order to evaluate its potential or implement it in their work environment. Participants are both professionals with IT and/or management background.

Academic Director

Prof. Dr. Florian Matthes
Software Engineering for Business Information Systems, TUM
